

## Town of Fox Lake Invitation to Bid

The town is accepting bids for the installation and removal of piers at boat landings per specifications.

1. Piers must be installed no later than the second Friday in April each year.
2. Piers must be removed no earlier than the 3<sup>rd</sup> Monday in October but no later than the first Friday in November each year.
3. Location one is Breezy Point Road, Beaver Dam Lake which has a steel roll-in pier.
4. Location two is Lake Road, Lake Emily which has a aluminum roll-in floating pier
5. Location three is Blackhawk Trail, Fox lake which has 2 aluminum floating piers and 1 steel handicapped pier. \*\* NOTE THE HANDICAPPED PIER MUST HAVE THE END FLOATED INTO PLACE DUE TO LAKE BED CONDITIONS. \*\*
6. Steel piers must have set screws removed each spring and be never seized before installation.
7. Steel piers must be leveled upon installation.
8. Aluminum piers must have stabilizer post pounded into lake bed.
9. The town must be notified a minimum of 24 hrs before work is to be done.
10. Any damage to town property must be repaired.
11. If any conditions are not met the town has the right to hire another contactor and bill any additional costs to the winning contractor.
12. The town reserves the right to accept or reject any bids.
13. This bid is a 3 year contract, for the years 2014, 2015, & 2016.
14. The above specifications will be included into winning bidder's contract.
